**HOW TO SELECT/PURCHASE A SPONSORSHIP ITEM WITH THE NEW PROGRAM**

**Step 1:** Use the Opportunities Grid to complete the below section indicating what items you are interested in.

**Step 2:** It is recommended that you select multiple items in the case your first selection is no longer available. Please note that the Opportunities Grid is updated at least weekly, if not twice a week. However, the grid cannot be updated with each sale. Therefore, there is a chance that the item you choose may have been selected by another Hospitality Partner, but has just not appeared on the grid yet.

**Step 3:** After agreeing to the Terms & Conditions, click submit and you will then receive an email

acknowledgement that your application is being reviewed. You will then receive a separate confirmation email at which time a 20% deposit is due to secure your sponsorship. If we do not receive your 20% deposit within **72 hours** of your confirmation email, you will forfeit your sponsorship.

*Please note:* Upon submission, your sponsorship request is pending approval from FICP Headquarters. When approved, you will receive a confirmation along with instructions to login and provide a credit card number for the 20% deposit. After the deposit is processed you will receive a final invoice for the 80% balance due which must be paid by check.
